Medical facilities to be Provided to the Doctors etc. at the Legislators' Quarters

Sri AZEEZ SAIT.—(Narasaimharaja)—Sir, yesterday there were complaints about the doctors and treatment given to legislators in the Legislators' Home. I did not want to intervene then. What has

(SRI AZIZ SAIT)

happened there is, the Estate Officer who is also the Marshal, is not devoting sufficient attention. He is reckless and not responsive. The poor doctor wanted a stove and asked for the same. Till today he is not given a stove. Yesterday the Director of Health Services visited the General hostel. The doctors are not given the required facilities. We have noticed that neither Speaker nor the Deputy Speaker have ever visited General Hostel or Legislators' Home. The previous Speaker had a little courtesy to visit us in our places and enquire about our welfare. I do not understand how things are managed in the Legislature Secretariat. You have an arrogant officer as an Estate Officer.

Mr. DEPUTY SPEAKER.—I will enquire into it. We will now take up the Bill.
